1. For additional information on these performance measures not defined by IFRS<sup>®</sup> Accounting Standards, please refer to the section “Non-IFRS Accounting Standards Measures” of our Management Discussion & Analysis for the 12-week period ended October 12, 2025 available on SEDAR+ at [www.sedarplus.ca](http://www.sedarplus.ca).

Non-IFRS Accounting Standard measures are mainly derived from the consolidated financial statements, but do not have standardized meanings prescribed by IFRS Accounting Standards. These non-IFRS Accounting Standards measures should not be considered in isolation or as a substitute for financial measures prepared in accordance with IFRS Accounting Standards. In addition, the definitions of non-IFRS Accounting Standards measures may differ from those of other public corporations. Any such modification or reformulation may be significant.
